

PVC CEMENT LISTED AS A HAZARDOUS MATERIAL

The Department of Transportation has determined that the PVC cement and steel tubing adhesive previously sold by Linear is a hazardous material substance. As such, effective immediately, the following product changes will be made:

1. The VMVP3K, VMVP3KA, and VM3VK 3-valve kits will no longer be shipped with the 2 oz. bottle of PVC Cement in the kit.
2. VM120-24 PVC Cement 1/2 pint cans will be sold in bulk packages of 24. The price will include freight charges associated with hazardous material shipping.
3. All outstanding VM120 orders with less than 24 units will be cancelled and must be reordered in bulk (24) quantity.
4. VM120 orders of more than 24 units will be adjusted down to the nearest unit of 24.
5. VM120-24 PVC Cement can not be shipped by air.
6. Effective immediately, VM146 Steel Tubing Adhesive will no longer be available from Linear.

VM120-24
PVC CEMENT

VM146
STEEL TUBING ADHESIVE

NOTE:
