

DXS-62 2-PACK DISCONTINUED

The Linear Security Brand Model DXS-62 Supervised 1-Button, 1-Channel Pendant/Wristband Transmitter 2-pack (P/N SST00114) containing two transmitters has been discontinued.

Some stock may be available, but is limited to the supply on hand. Once the stock is sold out, the product will no longer be available.

The DXS-62 transmitter has been replaced by the similar Model DXS-62A (SST00090A). The DXS-62A is identical in size and shape, and is supplied with the same accessories as the DXS-62. **The Model DXS-62A is sold in single unit quantities.**

For increased battery life, the DXS-62A contains larger batteries than the Model DXS-62, but does not contain an audible sounder.

For more information regarding the new DXS-62A transmitter, visit its product page on Linear's Web site at:
