

DMC-10 DESIGNER STATION FACEPLATES RE-PACKAGED

The eleven optional designer room, patio, and door station faceplates for the DMC-10 Structured Wire Intercom System have been re-packaged to allow for individual sales.

Each faceplate box includes four faceplates. Inside the box, each individual faceplate is wrapped in plastic with its own barcode label. This allows for single piece sales at the distributor level. FACEPLATES WILL ONLY BE AVAILABLE IN THE FOUR PIECE KITS WHEN PURCHASED DIRECTLY FROM LINEAR.

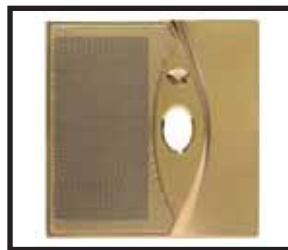

New pricing has also been assigned for the faceplate kits.

The following faceplate kits with the single piece marking will be available beginning 10/15/2007.

- DMC-10DFAB-4** Door Station Faceplates (4-pack) (Antique Brass)
- DMC-10DFBB-4** Door Station Faceplates (4-pack) (Bright Brass)
