

Model DMC1MM, DMC1MMA, DMC1MMB, DMC1MMPACK iPlay[®] Dock for Portable Devices - MP3 Player & CD Player Discontinued

Due to a change to the 15-pin connector found on select portable media devices, Linear's DMC1MM (white), DMC1MMA (almond), and DMC1MMB (black) iPlay Dock for Portable Devices and the DMC1MMPACK Music/Communication System Package are discontinued.

As of the time of this bulletin's release, there is not a functional replacement for the DMC1MM, however alternative solutions are being evaluated.
