

## 6-Disc CD Player Discontinued

### Models DMC1CD, DMC1CDA, DMC1CDB, & DMC1CDPACK

Due to legacy component issues, Linear's DMC1CD (white), DMC1CDA (almond), and DMC1CDB (black) 6-disc CD Player and the DMC1CDPACK Music/Communication System Package have been discontinued.

The Model DMC1CD is limited to stock on hand, when the stock is sold out it will no longer be available. The other models are currently out of stock and are no longer available.

As a replacement, Linear's single-disc CD and MP3 players Model DMCMP3 (white), DMCMP3A (almond), DMCMP3B (black), and DMCMP3PACK Music/Communication System Package are available. See the table below for replacement models.
