

## VMC Video Intercom Product Family Discontinued

Effective immediately, Linear is discontinuing its VMC Video Intercom System product family. The product family includes all intercom master, stations, accessories, and parts. Technical support for the product will be available for the foreseeable future.

The remaining inventory is limited to stock on hand. When the stock is sold out, the product will no longer be available.

✓ **NOTE: Remember to update your system to reflect these discontinued SKU's.**
