

WO15Z-1 | Linear Z-Wave Wall Mounted Outlet

Z-Wave Wall Mounted Outlet

Radio Frequency (RF) Controlled, 120 VAC, 15A, Duplex Receptacle

Linear's family of Z-Wave certified wireless lighting controls (switches, dimmers, outlets and plug-in modules) brings a new level of intelligent wireless capability to commercial and residential environments.

The Z-Wave wireless protocol is an international wireless standard for remote home automation, security and other applications. Embedded in each device, the Z-Wave smart chip enables two-way RF communication among hundreds of Z-Wave enabled devices, allowing products and services from multiple manufacturers to work seamlessly.

Linear Z-Wave products are easy to install, and allow dealers to create an integrated wireless network with nearly limitless expansion and interoperability with security and health monitoring systems, energy management, home entertainment, appliances, and more. Home and business owners gain a host of wireless lifestyle advantages:

- Convenience
- Affordability
- Compatibility with building automation systems
- Ease of Use
- High reliability

Z-Wave Single Wall Outlet

The Linear WO15Z-1 Single Wall Outlet is wired in place of a standard receptacle. This device allows remote ON/OFF control of loads connected to the controlled outlet (the other outlet remains powered at all times).

This WO15Z-1 Outlet integrates with other Linear Z-Wave enabled products, and can also act as a wireless repeater to ensure that commands intended for another device in the network are received (useful when a device would otherwise be out of radio range).

WO15Z-1 supplied with decorative switch plate

Specifications

- **Maximum Load:**
 - Incandescent:** 600W maximum, 120 VAC
 - Resistive:** 15 amps (1800 watts) maximum, 120 VAC
 - Motor:** 1/2 H.P. maximum, 120 VAC
- **Signal (Frequency):** 908.42 MHz
- **Range:** Up to 100 feet between the wireless controller and/or the closest Z-Wave device
- **Input:** 120v 15A 60Hz
- **Z-Wave Version 4.55**
- **Network Inclusion**
- **Scene: Command Class**
- **Security Compatible**
- **Requires a Neutral**
