

# Recessed Door Contact Bulk Pack

(120 Pack of Recessed Door Contacts)

SKU: 2GIG-DW20R120PK

UPC: 8-17082-01110-3

We are pleased to announce the availability of a 120 count bulk-pack of 2GIG Recessed Door Contacts (2GIG-DW20R120PK). The security industry's most flexible supervised door contact, it communicates with the 2GIG Control Panel using the 345 MHz wireless frequency. It also allows a multitude of applications while hiding the transmitter within a door or window frame. It is powered by a replaceable lithium battery, which should last five (5) years under normal usage.
