

Recessed Lighting Retrofit Kit with LED Bulb

SKU: LB65R6Z-1
UPC: 0-93863-13514-9

We are pleased to announce the availability of the GoControl Bulbz Smart LED Retrofit Recessed Lighting Kit (LB65R6Z-1). The Smart Retrofit Recessed LED light fits into 5" or 6" recessed 'can' lighting fixtures, replacing old, outdated incandescent screw-in bulbs with clean and attractive, soft-white efficient LED lighting.

The LB65R6Z can be controlled wirelessly (On/Off/Dim) when used in conjunction with a Z-Wave controller/hub using the controller's user interface (e.g. 2GIG GC2), or via a smart phone, tablet app, or PC.

Depending on the capability of your controller/hub, once the Smart Retrofit Light has been added to your network, it can be added to a 'Group' or 'Scene' or change its status via your controller / app's specific programming.

FEATURES

- Built-in Z-Wave: Can be controlled remotely and wirelessly
- Plug and play, simple setup
- Ultra-long life and more energy-efficient vs. incandescent or fluorescent lights
- Instant-on lighting
- Over-the-Air firmware upgrade available (with compatible gateway, Z-Wave static controller, or PC and software)
- Uses new, advanced feature 500-Series Z-Wave module
- Manual reset capability

SPECIFICATIONS

- Input power: 120 VAC, 60 Hz.
 - Brightness: 650 lumens (Equivalent to 65-watt incandescent light bulb)
 - Power Consumption: 8.5 watts
 - Color Temperature: 2700° K
 - Bulb Lifetime: Approx. 25,000 hours (Equivalent 22.8 years based on 3 hrs/day)
 - Radio Frequency: 908.4 MHz / 916 MHz
 - Wireless Range: Up to 130' line of sight between the controller and other nodes.
- Normal operating temperature: -4° to 104° F (-20° to 40° C)
FOR INDOOR USE ONLY

PRICING

Contact your GoControl distributor or Nortek Security & Control Sales Representative for pricing details.

PRODUCT AVAILABILITY, ORDERING, AND SHIPPING INFORMATION
