
Discontinuation of all Commercial Door Operators April 20th 2018

To: Linear CDO Customers
From: Linear Access Product Team

Effective June 1st 2018 Linear will End-of-Life our Commercial Door Operators “CDO” and no longer excepting orders.

As part of this transition we are referring all sales to VE PowerMaster. VE offers a great wide breath of identical CDO operators. For customers who would like to continue to purchase these CDO’s you can but will need source these directly from VE or one of their distribution partners.

For any new purchases please contact VE PowerMaster directly.
Dominick (Dominick@PowerMasterNY.com) 817-649-6077
Stacy (Stacy@PowerMasterNY.com) 631-231-4500.

For technical support for new sales call 800-243-4476 or e-mail:
Jared (Jared@PowerMasterNY.com), or Mat (Mat@PowerMasterNY.com).

Linear will continue to support and stock service parts for all legacy operators. This change allows Linear to provide greater focus and support for our residential door operator lines.

If you have any questions, please reach out to your Linear (Nortek Security & Control) District Manager.
