

NORTEK[™] CONTROL

WE HAVE OFFICIALLY REBRANDED AS NORTEK CONTROL

WHY ARE WE REBRANDING?

The business is evolving from a manufacturing-focused company to a technology solutions provider. The evolution of the company involves a key focus on analytics and machine learning throughout all of our brands.

WILL WE CHANGE OUR BUSINESS?

We will continue to serve our existing business lines and be a solutions provider to our global customers. Our focus on technology will be at the forefront of everything we develop across each brand in the Nortek Control family.

WHAT IS THE FUTURE OF NORTEK CONTROL?

We will add a new layer of technology innovation and advanced analytics across every brand we address. Every brand will benefit from this transformation.
