- b. Inventory of some of the affected SKUs may already be depleted and an end-of-sale purchase may not be possible.
- c. Customers with ongoing and/or project-based requirements for the affected SKUs should contact their Nortek Control sales representative *within 2 weeks* of the End-of-Sale Announcement Date to discuss possible arrangements
- d. If you have any questions about this end-of-sale, please contact your Nortek Control sales or support representative.

Thank you very much for your continued business.
