Reason for Change:

Affected SKUs utilize older technology and applications that are no longer relevant in the market and can no longer be manufactured efficiently. Nortek Control has chosen to retire them and focus on new technologies and solutions that have similar applicability but provide better functionality and performance, easier installation and enhanced end-user satisfaction.

Important Notes:

- a. All orders are subject to acceptance by Nortek Control, are limited to quantity on hand and are pursuant to terms and conditions of sale with Nortek Control.
- b. Inventory of some of the affected SKUs may already be depleted and an end-of-sale purchase may not be possible.
- c. Customers with ongoing and/or project-based requirements for the affected SKUs should contact their Nortek Control sales representative *within 2 weeks* of the End-of-Sale Announcement Date to discuss possible arrangements.
- d. If you have any questions about this end-of-sale, please contact your Nortek Control sales or support representative.

Thank you very much for your continued business.
