**Reason for Change:**

Following a thorough review of our Nortek Control portfolio, we have decided to phase out the M&S Systems product line in order to focus on new growth opportunities.

**Important notes:**

- a. All orders are subject to acceptance by Nortek Control and are limited to quantity on hand.
- b. Inventory of some SKUs may already be depleted and last buys may not be possible.
- c. Customers with ongoing and/or project-based requirements for these SKUs should contact their Nortek Control sales representative to discuss possible arrangements, within 2 weeks of the End-of-Sale Announcement Date shown in Table 1.
- d. If you have any questions about this End of Sale, please contact your Nortek Control sales or support representative.

Thank you very much for your continued business.
